CHAPTER 1
GENERAL INFORMATION

Please Note: For circumstances and topics not included and covered in this manual, please contact NAVCRUITCOM Secretariat Awards via the appropriate awards management chain of command.

1. Purpose. This manual establishes uniform standards and practices for management of awards for individuals assigned throughout the Navy recruiting enterprise.

2. Eligibility Criteria

a. Recommendations for awards must meet specific eligibility criteria in this manual. Considerations include the circumstances involved, type of achievement or service and the duration of the period of action. In all cases, the act, achievement or service should clearly exceed that which is normally required or expected of the individual, considering grade or rate, training and experience.

b. As a general rule, only one award will be made for the same act, achievement, or period of meritorious service. It is inappropriate to duplicate awards; however, an award for heroism or specific achievement within the period of meritorious service is not considered duplication.

(1) Mid-tour awards are not appropriate; commands are required to retain the nomination for inclusion in the end-of-tour (EOT) award.

(2) Sailor of the Year and similar awards (e.g., production awards), denote a specific competitive achievement. These awards can support an EOT award. Enclose a copy of these awards with the EOT award.

(3) Only one personal award may be awarded for annual production in any given year. For example, a recruiter may win in more than one category (e.g., AC Recruiter of the Year (ROY)), however, the recruiter may only be presented a single personal award. This does NOT preclude a recruiter from earning a personal award for a targeted incentive (e.g., a region commander offers a Navy Commendation (NC) for any recruiter who averages three (3) Nuclear Field (NF) contracts per month JUL-SEP). Awarding authorities are cautioned to avoid devaluing the prestige associated with personal awards by presenting excessive numbers of targeted incentive awards.

(4) Routine EOT award is not an integral part of the awards system. Submit a copy of all personal awards received during the tour period with the EOT award to the awarding authority.

(5) Per references (a) and (b), the Navy does not have a retirement award, nor is it appropriate to recommend an award for the entire career of a service member. If an individual is recommended for an award upon retirement, it should only recognize service at the last duty

station or acts not previously recognized. However, it is appropriate to include a statement in the citation reflecting the member's total number of years of service. Statement should read: "Petty Officer Doe's superior performance of his or her duties highlights the culmination of 20 years of honorable and dedicated service." Place this statement in the citation prior to the closing statement.

(6) A specific achievement award may be authorized for exceptional performance over a period of short duration, which is generally no longer than twelve months. However, specific achievement awards may not support an EOT award; neither the summary of action nor the citation issued for the period of meritorious service will include the specific achievement previously recognized.

3. Who Can Originate a Nomination for an Award

a. Per reference (a), a nomination for a personal military decoration (PMD) may officially be originated by a commissioned officer of the U.S. Armed Forces, who was senior in grade or position to the awardee at the time of the distinguishing act or the period of meritorious service. A nomination for a PMD may also be originated by a DoD civilian, equivalent to a GS-11 or above, who was senior in grade and position to the awardee. A civilian originator must be in a supervisory position to the awardee at the time of the distinguishing act or the period of meritorious service.

b. The nomination must be addressed to the official who has authority to approve the level of PMD recommended by the originator. The official with award approval authority must be in the awardee's chain of command at the time of the distinguishing act, or the end of the period of meritorious service.

4. Authority and Delegation Authority to Approve Awards

a. The Chief of Naval Personnel awards the Legion of Merit (LM) for the President.

b. The Commander, Navy Recruiting Command (COMNAVCRUITCOM) awards the Meritorious Service Medal (MM) for the President.

c. COMNAVCRUITCOM, NAVCRUITCOM Chief of Staff, commanders (O6) of Navy Recruiting Regions (NAVCRUITREGs), Navy Recruiting Reserve Command (NAVCRUITRESCOM), and Commanding Officer, Navy Reserve Navy Recruiting Command (NR NAVCRUITCOM) may award the Navy and Marine Corps Commendation Medal (NC), for the Secretary of the Navy, except for ROY awards and flag letters of commendation.

d. COMNAVCRUITCOM, NAVCRUITCOM Chief of Staff, commanders (O6) of NAVCRUITREGs, NAVCRUITRESCOM, NR NAVCRUITCOM Commanding Officer, and NAVTALACQGRU commanding officers may award the Navy and Marine Corps Achievement Medal (NA) for the Secretary of the Navy, except for ROY awards and flag letters of commendation.

e. Per reference (a), awards (MM and above) for the Admiral's personal staff will be forwarded to Commander, Naval Education and Training Command (CNETC).

f. Endorsements by the Chain of Command

(1) If the originator is not the awardee's commanding officer (CO), the originator must submit the PMD to that CO for endorsement.

(2) If the CO has authority to approve the award nominated, he or she will take final action on the nomination. If not, the CO must endorse it indicating his or her recommendation on the Award Recommendation Form.

5. Timeline for Award Submissions

a. Awards that require approval by Chief of Naval Education and Training (CNETC) or higher authority (i.e., LM) must be submitted to NAVCRUITCOM 00SA at NRC_HQ_00S_Admin@us.navy.mil via the NAVCRUITREG, NAVCRUITRESCOM, or NR NAVCRUITCOM CO no later than 120 days prior to transfer, separation, or retirement. This is necessary to permit ample time for processing if presentation is desired before the awardee's departure.

Note: Per NETCINST 1650.3G, "Personal Awards to be signed by CNETC. NETC Admin should receive these awards a minimum of 30 business days, but not more than 60 business days, prior to detachment, transfer, departure on separation leave, retirement ceremony, etc."

b. Award recommendations that require COMNAVCRUITCOM or chief of staff's approval as outline in subparagraphs 4b through 4d, must be submitted to NAVCRUITCOM 00SA at NRC_HQ_00S_Admin@us.navy.mil for processing via the appropriate chain of command no later than 90 days prior to transfer, separation, or retirement. This is necessary to permit ample time for processing if presentation is desired before the awardee's departure. Awards for specific actions should be submitted within two weeks of the specific action to permit rapid recognition of the individual's efforts.

c. Timely submission of award is essential to a successful awards program. Late submissions do not allow adequate time to properly evaluate the recommendations and ensure quality products are produced. This results in disservice to personnel and causes unnecessary burdens to the awards process. The time requirements set forth in subparagraphs 5(a) and 5(b) must be adhered to.

(1) If an award forwarded to Chief of Naval Personnel or COMNAVCRUITCOM is not received by the timelines established in this instruction, use [exhibit 1-1 Sample Late Letter Template](#) to explain the circumstances leading to the late submission.

(2) [Exhibit 1-1](#) will be signed by NAVCRUITRESCOM or NAVCRUITREG commander, NAVTALACQGRU commanding officer or executive officer (XO) explaining the circumstances leading to the late submission. “Administrative oversight” is not a sufficient justification; if the late submission is a result of administrative oversight, explain in the letter what steps are being taken to prevent the same issue in the future.

(3) Awards requiring exceptional circumvention of this standard process should be the exception rather than the rule. Exhibit 1-1 late letter is required for short-fused awards due to permanent change of station (PCS) orders and unusual transfer circumstances.

CHAPTER 2
PERSONAL AWARD RECOMMENDATIONS

1. General Preparation of Awards. Submit recommendations for all medals using [OPNAV 1650/3 Personal Award Recommendation](#) with original signature of the commanding officer or originator of the award. Complete Blocks 1-28 per reference (b), reflecting the individual's personal data and award information. Exclusion of any blocks will require NAVCRUITCOM 00SA having to contact the originating command to request the missing information, thus delaying the award. See [exhibit 2-1 Sample OPNAV 1650/3 Front](#), [exhibit 2-2 Sample OPNAV 1650/3 Summary of Action Page](#), and [exhibit 2-3 Sample OPNAV 1650/3 Signature Page](#).
2. Format. Use the Summary of Action (SOA), Block 29, to document the circumstances surrounding the action for NCs and above. The introductory paragraph should cite the position held, command, period of action, and overall achievement(s). Cite specific accomplishments, which directly bear on the overall achievement in "bulletized" paragraphs.
 - a. Complete the [OPNAV 1650/3](#) front, for ROY awards, and indicate the award that the member is recommended for in the SOA as the justification in block 35. Example: Enlisted Recruiter of the Year (Active Component) for Fiscal Year 20XX. See [OPNAV 1650/3 Summary of Action](#).
 - b. A double-spaced citation must be prepared using the opening and closing sentences in exhibits 2-4 through exhibit 2-8. The citation must summarize the specifics of the action, be written in a style suitable for oral presentation, and contain sufficient facts to "stand alone." Per reference (b), the "service" for all Sailors (whether active or reserve component) will be "UNITED STATES NAVY." Due to the length of Navy enlisted rates, three lines are used; warfare designator is not required, but the primary designation is used when space is available; additional designators are never appropriate. Navy officers use two lines with rank and name combined; a third line, for staff corps designation is optional.
 - (1) [Exhibit 2-4 Legion of Merit \(LM\) Template](#) and [exhibit 2-5 Sample Meritorious Service Medal \(MM\)](#) citations will be typed double-spaced, 12-pitch Courier New, with right justification, (23 lines maximum, including opening and closing sentences). Margins should be: left margin 0.7 inches, right margin 0.5 inches, top margin 2 inches, and bottom margin 1 inch.
 - (2) [Exhibit 2-6 Sample Navy and Marine Corps Commendation \(NC\)](#) and [exhibit 2-7 Sample Achievement \(NA\)](#) citations will be typed double-spaced, 10-pitch, Times New Roman, full justification, with one inch margins (nine lines maximum, including opening and closing sentences).
 - (3) Type [exhibit 2-8 Sample Flag Letter of Commendation \(FLOC\)](#) citation double-spaced, 12-pitch, Times New Roman (Bold), full justification, (15 lines maximum, including opening and closing sentences).

(4) Center of Influence Certificate. [Exhibit 2-9 Sample Center of Influence Certificate](#) is for high visibility and high profile centers of influence that support NAVCRUITCOM's mission regularly. Route request to NRC_HQ_00S_Admin@us.navy.mil for review and signature. COI certificates will be signed by N00 and NCR.

3. Award Metrics. Utilize Salesforce for all individual awards. (If there is disagreement, NAVCRUITCOM Strategy and Analysis Department (N5) will be the determining source).

CHAPTER 3
ADMINISTRATIVE PROCEDURES

1. Action by Awarding Authorities. Per reference (a), all delegated awarding authorities must submit, via NAVCRUITCOM Secretariat, a scanned copy of the signed citation for entry into the member's electronic service record. Per reference (c), awarding authorities are required to maintain a permanent copy of all approved awards in the current Department of the Navy (DON) Electronic Records Management Solution (ERMS) to include the OPNAV 1650 with signatures and all supporting documents (i.e. Award's Board). Do not dispose award documentation per the standards used for other types of correspondence and records.

2. Removal (Revoking) of Awards. The approval authority may revoke any award for a distinguished act, achievement, or service before presentation. After presentation, if subsequently determined facts would have prevented the original approval of the award, or if the awardee's service after the distinguished act, achievement, or service has not been honorable, forward the entire case to Navy Department Board of Decorations and Medals per [exhibit 3-1 Sample Removal Letter](#).

Note: Field activities are to notify NAVCRUITCOM 00SA immediately if a Sailor is unable to receive an award approved by NAVCRUITCOM.

3. NAVCRUITCOM Awards Board

a. The NAVCRUITCOM Awards Board assists in evaluating recommendations for awards, NAs and above. The rank or grade of the intended award recipient will not be a factor in the nomination or approval of any Department of the Navy (DON) military decoration, medal, or ribbon unless an explicit rank or grade restriction exists within the award criteria published in statute, executive order, reference (a), or this instruction. No rank or grade limitation will be established within the DON on any award except by specific written authorization from SECNAV. The flag secretary will present any recommendation that has not received a unanimous vote to the awarding authority for final decision.

b. Membership. The Awards Boards will be comprised of individuals listed in subparagraphs 3b(1) through 3b(3).

(1) All E7 and senior NAVCRUITCOM staff members' awards will be boarded by the command master chief (CMC), all department heads, and all special assistants. Assigned board members will review award recommendations, taking into consideration circumstances that relate to the member being recommended.

(2) The NAVCRUITCOM Director of Operations (N3), CMC, chief of staff (COS), and the executive director (ED) will board all E7 and senior region staff, NAVCRUITRESCOM staff, and subordinate commands' awards. The NCR will only board CRF awards. Assigned

board members will review the award, taking into consideration the region commander's, NAVCRUITRESCOM's, and NR NAVCRUITCOM Commanding Officer's recommendation.

(3) The CMC is responsible for oversight of all E6 and junior enlisted awards submitted to COMNAVCRUITCOM. The NAVCRUITCOM Enlisted Awards Board for E6 and junior will be composed of a leading chief petty officer (LCPO) representative from each department as designated by the CMC, command career counselor (CCC), and command climate specialist (CCS). A minimum of three LCPOs are required. The CMC will chair the board for all E6 and junior awards. Assigned board members will review award recommendations, taking into consideration circumstances that relate to the member being recommended. The CMC will report the recommendations of the enlisted board to the flag secretary as soon as possible.

c. Procedures. The Awards Board will evaluate and render an opinion as to the merit of award recommendations ensuring that the acts or services described fulfill all requirements for the award recommended as specified in pertinent directives. An important factor in the proper administration of awards is expeditious handling. Awards board members will process award recommendations in a timely manner to facilitate prompt recognitions of meritorious or outstanding performance.

d. Board Recommendations. Use [exhibit 3-2 Navy Recruiting Command Awards Board Recommendation](#); or [exhibit 3-3 Navy Recruiting Command Awards Board Recommendation E6 and Junior](#), to report the recommendations of the board. The flag secretary will initial and certify all E7 and senior personnel. The CMC will initial and certify all E6 and junior personnel.

e. Downgrading an Award. If the board votes to downgrade an award recommendation, the flag secretary will notify the submitting chain of command in an expeditious manner.

f. Convening. Awards Board members will review awards in session, discuss the merits of the award presented, and make recommendations as to the level of award approved. Awards board members are encouraged to review reference (a), enclosure (4).

CHAPTER 4
BELL CHECKS AND GOLD WREATH AWARDS

1. Discussion. The gold wreath award is meant to incentivize mission accomplishment. By effectively performing their duties, support personnel enable recruiters to focus their efforts on recruiting functions and enable mission attainment. So, in addition to recognizing individual recruiter success, the gold wreath award also rewards team accomplishment of recruiting goals.

a. The “Gold Wreath” is a metallic device worn by designated recruiting personnel in conjunction with the recruiting badge.

(1) The wreath encircles the recruiting badge and subsequent awards are displayed by adding either a gold or silver star at the bottom of the wreath.

(2) An “Excellence Scroll” is added for the tenth award.

(3) A large gold star on top of the excellence scroll signifies the twentieth award.

(4) A wreath around the large gold star wreath signifies the twenty-fifth award.

(5) [Exhibit 4-1](#) provides the Gold Wreath Awards (GWA) recognition and sequence.

(6) [Exhibit 4-2](#) is a sample photo of presented GWAs.

(7) [Exhibit 4-3](#) is the GWA Request Letter.

b. All military and federal general service (GS) civilian personnel assigned to Navy recruiting activities are eligible for the GWA. Personnel must be onboard for the entirety of the time period of the award. This requirement cannot be waived.

c. Recruiters must meet personal qualification standards (PQS), or not be delinquent in qualifications, to be eligible for GWAs.

d. The period for a GWA is generally quarterly, except where specifically noted differently.

2. Bell Ringing and Gold Wreath Award Criteria

a. Every day is mission day, every day is gate day. NAVCRUITCOM, NAVCRUITREGs, NAVCRUITRESCOM, all NAVTALACQGRUs and RESTALACQGRUs should strive to “Win the Day” every day.

(1) Status checks are conducted daily through operational update briefs.

(2) Robby Charts, Salesforce, and other analytic tools are used to provide a whole-of-operations snapshot of the recruiting environment.

b. Longer term status “Bell Checks” will also be conducted on the last day of each month. This helps maintain the important tradition of “Ring the Bell.”

(1) A NAVTALACQGRU is eligible to “Ring the Bell” if they are on or above their Robby Chart goal lines for enlisted new contract objective (NCO), new accession training (NAT)/training and administration of reserves (TAR) NCO, nuclear field (NF) NCO, and warrior challenge (WC) NCO by the last day of the month.

(2) A RESTALACQGRU is eligible to “Ring the Bell” if they are on or above their Robby Chart goal line for enlisted prior service affiliation by the last day of the month.

(3) NAVCRUITCOM and NAVCRUITREG staffs are eligible to “Ring the Bell” if they are on or above their Robby Chart goal lines for the categories listed in subparagraph 2b(1) and attained their aggregate shipping goal by the last day of the month. NAVCRUITRESCOM staff is eligible to “Ring the Bell” if they are on or above their Robby Chart goal line for enlisted prior service affiliation by the last day of the month.

c. NAVCRUITCOM, including Navy Recruiting Command Orientation Unit (NAVCRUITCOM ORU) and Recruit Quality Assurance Team (RQAT), NAVCRUITREGs, NAVCRUITRESCOM, all NAVTALACQGRU and RESTALACQGRU personnel are eligible for a GWA if their respective command “Rings the Bell” three times in a calendar quarter. To be eligible, members must be assigned throughout the entire quarter. There are four predetermined quarters in each year (Oct – Dec, Jan – Mar, Apr – Jun, Jul – Sep).

Note: NAVTALACQGRU and RESTALACQGRU personnel are eligible for an additional GWA if their command is awarded the Recruiting Gold or Silver “R.”

d. Specific NAVTALACQGRU production personnel are eligible to receive ONLY one GWA per quarter. See the criteria listed in subparagraphs 2d(1) through 2d(9).

(1) Division leading chief petty officers (DLCPOs) are eligible for a GWA when their division ends the quarter above Robby Chart goal lines for the categories listed in subparagraph 2b(1).

(2) RinC’s are eligible for a GWA when their station ends the quarter above Robby Chart goal lines for the categories listed in subparagraph 2b(1).

(3) Enlisted program recruiters are eligible for a GWA if they have six net new contracts by the last day of the quarter.

(4) E-Talent team recruiters are eligible for a GWA when they provide self-generated (local) leads to recruiters that result in six net new contracts by the last day of the quarter.

(5) Officer programs recruiters are eligible for a GWA when they meet or exceed their quarterly goaling letter within the quarter.

(6) Nuclear field coordinators are eligible for a GWA when the NAVTALACQGRU achieves NF NCO for the quarter.

(7) Warrior challenge coordinators are eligible for a GWA when the NAVTALACQGRU achieves WC NCO for the quarter.

(8) Naval Reserve Officer Training (NROTC) coordinators are eligible for a GWA when the NAVTALACQGRU achieves 33%, 66%, and 100% gate requirements, plus one GWA if the Minority Serving Institution Scholarship Reservations (MSISR) goal is attained (maximum of 4 GWA per fiscal year).

e. Specific RESTALACQGRU production personnel are eligible to receive ONLY one GWA per quarter. See the criteria listed in subparagraphs 2e(1) through 2e(4) one GWA per quarter.

(1) Reserve component (RC) division leading chief petty officers (DLCPO) are eligible for a GWA when they meet their assigned monthly NACRUITRESCOM goals for the quarter. Only one GWA per quarter.

(2) RC recruiters in charge (RinC) are eligible for a GWA when they meet their assigned NACRUITRESCOM goals for the quarter.

(3) Prior service (PS) enlisted programs recruiters are eligible for a GWA if they have six net reserve gains attained by the last day of the quarter.

(4) RC officer programs recruiters are eligible for a GWA when they meet or exceed their quarterly goaling letter within the quarter.

3. Gold Wreath Award Submissions

a. Each command will determine eligibility, approve, present, and maintain an adequate supply of GWAs and devices. To be eligible, an individual must be on board for the entirety of the quarter under consideration. Additionally, each command will establish a tracking method to ensure presentation of gold wreaths are made in a timely manner and appropriate personnel record entries are completed.

b. Commands will submit recommendations for gold wreath flag letters of commendation to NAVCRUITCOM headquarters using the format contained in exhibit 4-3. Ensure all elements of exhibit 4-3 are included in the recommendation letter. Do not include social security numbers.

c. For NAVCRUITCOM headquarters:

(2) If the award determination is positive, NAVCRUITCOM (N3) will notify the NAVCRUITCOM Chief of Staff, all department heads, and special assistants via a memo qualifying them for the GWA.

(3) Individual department heads are responsible for determining the eligibility of departmental personnel. Each department will approve and present GWA and devices to departmental personnel. Additionally, each department will establish a tracking method to ensure presentation of Gold Wreaths are made in a timely manner and appropriate personnel record entries are completed.

(4) Department heads will individually forward a compiled list of personnel eligible for the flag letter of commendation award to N00S for collating and processing no later than the last working day of the month.

d. NAVCRUITREG commanders retain final discretionary authority for recommendation of GWAs for NAVTALACQGRU commanding officers and NAVCRUITREG staff.

e. NAVCRUITRESCOM retains final discretionary authority for recommendation of GWAs for NAVCRUITRESCOM personnel.

f. COMNAVCRUITCOM retains final discretionary authority for recommendation of GWAs for NAVCRUITCOM and NAVCRUITREG commanders.

g. COMNAVCRUITCOM retains sole authority to waive any eligibility requirements for GWAs.

CHAPTER 5
ANNUAL AWARDS AND INCENTIVES

1. Discussion. This chapter provides guidance for managing and submitting individual, team, and periodic awards.

a. Recognizing recruiting teams and individuals for exceptional performance is an effective method for enhancing morale and provides an incentive for increased production. Recognizing that teams are made up of individuals with a common goal, it's important to acknowledge both the successes of the team and individuals separately.

b. Awards and incentives are established by NAVCRUITCOM to recognize superior performance of both teams and individuals for their contributions towards accomplishing the Navy's recruiting mission. The current recruiting environment requires refocusing of enlisted recruiting assets to ensure future production mission success. When administering awards, if a Sailor is eligible for more than one production award (e.g. NA or NC), the higher-level award takes precedence. Commanding officers will identify outstanding recruiting personnel and ensure the "whole person" concept is applied. For end of year awards, refer to chapter 2, paragraph 1.

2. Recruiting Incentives and Awards. The purpose of the incentives and awards system is listed in subparagraphs 2a through 2d.

- a. Create a baseline for award eligibility.
- b. Develop command level awards.
- c. Implement recognition systems.
- d. Provide consistency for comparative purposes.

(1) NAVCRUITREGs and NAVCRUITRESCOM will develop and promulgate requirements for all NAVCRUITREG and NAVCRUITRESCOM level awards.

(2) NAVTALACQGRUs award notices will be reviewed and approved by the respective NAVCRUITREG or NAVCRUITRESCOM for legality, mission cohesiveness and functionality.

(3) Any award for a distinguished act, achievement, or service may be revoked before presentation by the approval authority, if subsequently determined facts would have prevented the original approval of the award, or if the awardee's service after the distinguishing act, achievement, or service has not been honorable. Reference (a) is applicable.

(4) Post presentation of an award. If the awardee's honorable service is questioned after the presentation of the award, forward the entire case to the Navy Department Board of

Decorations and Medals (NDBDM), via the chain of command as appropriate, for a determination and final disposition. Reference (a) is applicable.

3. Recruiting “R” Awards. The Recruiting “R” award recognizes sustained superior performance in a challenging recruiting environment. The immediate superior in command (ISIC) has the responsibility and authority to select one Recruiting “R” winner as the best NAVTALACQGRU and RESTALACQGRUs among the others in their respective areas of responsibility (AOR). NAVTALACQGRUs and RESTALACQGRUs selected as winners of annual “R” awards will receive an award for their respective categories as determined by COMNAVCRUITCOM.

a. Considerations for Recruiting Gold “R” Award. COMNAVCRUITCOM will consider mission accomplishment, command climate, culture of excellence, and demonstrated sustained superior performance in selecting the “NAVTALACQGRU of the Year” from the two NAVCRUITREGs’ “Best Overall” which will be awarded the Recruiting Gold “R.”

b. Considerations for Recruiting Silver “R” Award. The ISICs will use demonstrated sustained superior performance as the primary consideration in selecting NAVTALACQGRUs or RESTALACQGRUs for the Recruiting “R” award. Significant emphasis will be given to operational proficiency. The NAVTALACQGRU and RESTALACQGRU that consistently performs well across the board will typically be competitive for the award of the Recruiting “R.” ISICs should consider the entire range of the NAVTALACQGRU and RESTALACQGRU missions, both officer and enlisted. The ISIC will take into consideration the guidelines listed in subparagraphs 3a(1) through 3a(3).

(1) Mission accomplishment, command climate and culture of excellence will be primary factors considered.

(2) The ISIC's selection will consider the NAVTALACQGRU and RESTALACQGRU performance in required annual assessments. Failure or poor performance in the national inspection team (NIT) inspection should be a significant factor for consideration.

(3) No specific criteria will limit the ISIC decision.

c. Blue Recruiting “R” Award. Multiple NAVTALACQGRUs and RESTALACQGRUs can be awarded the Blue Recruiting “R” award for maintaining high levels of production throughout the fiscal year.

(1) For fiscal year (FY) 2024, any NAVTALACQGRU that is “in the blue” by close of business on 30 September 2024 will earn the Blue Recruiting “R.” “In the blue” is defined as being above the 107% blue line on the Robby Charts for active component (AC) NCO and Nuclear Field (NF) Enlisted NCO missions as set by the 1 May reset, not to include 2-for-1 buy downs.

(2) For FY 2025 and beyond, any NAVTALACQGRU or RESTALACQGRU that is “in the blue” by close of the fiscal year will earn the Blue Recruiting “R.” “In the blue” is defined as being above the 107% blue line on the Robby Charts and at least 100% of originally assigned goal for AC enlisted, NF, warrior challenge, NAT, TAR, nuclear propulsion officer candidate (NUPOC), and general officer (GENOFF) missions, not to include previous year roll-ins.

d. Recruiting Excellence Awards. The objective of the recruiting excellence awards is to recognize sustained superior performance in specific recruiting mission areas. ISICs will select the best representative NAVTALACQGRU and RESTALACQGRU from their respective AOR for each applicable recruiting excellence award category. Awards will be based on sustained superior operational excellence. The judgment of the ISIC in evaluating a unit's performance in each award area is an important factor in determining selection.

CHAPTER 6
RECRUITING REFERRAL RECOGNITION PROGRAM

1. Policy. Referrals and assistance from non-recruiters are invaluable sources of both officer and enlisted contracts. In order to recognize individuals for their efforts in support of recruiting, referral awards are authorized in three categories:

a. Navy DEP Personnel (Future Sailors). For purposes of this program, individuals are considered Navy Future Sailors from the time they contract until they complete RTC.

b. Military. Any Navy or Marine Corps service member of the active component (AC) or reserve component (RC), except for members in the Individual Ready Reserve (IRR) or DEP.

c. Civilians. Non-military personnel to include federal service employees and DoD contractors.

2. Basic Eligibility Requirements

a. Military service members and civilians may qualify for recognition if, during a rolling 12-month period, they refer the required number of applicants to a Navy recruiter who contract into an officer or enlisted program for either the AC or RC.

(1) Military service members, federal service employees, and contractors who work for Navy recruiting field activities are ineligible for awards under this instruction.

(2) Family members of military service members, federal service employees, and contractors who work for Navy recruiting field activities are also ineligible for awards under this instruction.

(3) Navy Counselors, command career counselors, active-duty members on Hometown Area Recruiting Program (HARP), Bluejacket HARP, Senior Minority Assistance to Recruiting Program (SEMINAR), or Recruiting Assistance Program (RAP) duty are ineligible for awards under this instruction. This does not preclude the commanding officer from giving special mention of their recruiting contributions in letters of appreciation or commendation.

b. The same award may be presented more than once to the same recipient, including medals for military personnel. Items previously classified as recognition awards that are not included in this instruction will be treated as promotional items for inventory purposes and may be awarded in lieu of a duplicate award at the award authority's discretion.

c. Any non-referred applicant who previously processed for Navy service but was found temporarily disqualified for Navy service for any reason, does not qualify as a new referral until 365 days have elapsed since the date of previous processing. Referrals can only be credited to one referring source, meaning that two or more individuals cannot receive referral credit for the same referred person.

d. To be considered a qualified referral, the referred individual must not have been previously interviewed or processed by a Navy recruiter within the last four months. Any person listed on a Navy recruiter's applicant log within the previous four months is ineligible for referral status unless the individual was a referral from the same source when originally interviewed.

(1) NAVTALACQGRU commanding officers (non-delegable) may waive the four-month limit if the commanding officer has sufficient proof that the person under consideration for referral credit was instrumental in getting the Future Sailor to join the Navy.

(2) An example of sufficient proof could be: written personal statements (NAVCRUIT 1133/78) from the Future Sailor providing the referral and the applicant describing how the Future Sailor aided in the recruiting effort.

3. Who Can Originate a Nomination for Recruiting Referral Awards

a. If the originator is not the awardee's CO, the originator must submit the referral award to that CO for endorsement.

b. If the CO has authority to approve the referral award recommended, he or she will take final action on the recommendation. If not, the CO must endorse it indicating his or her recommendation on the referral award nomination.

4. Eligibility Criteria and Specific Awards

a. Awards for Navy Delayed Entry Personnel. See table 6.1.
