COMNAVRESFOR INSTRUCTION 1550.11A

Subj: REVIEW OF THE NAVAL RESERVE PROFESSIONAL DEVELOPMENT
CENTER (NAVRESPRODEVCON) COURSEWARE AND INSTRUCTIONAL
MATERIALS

(R)

Ref: (a) NAVEDTRA 135

Encl: (1) Course Review Committees
(2) Course Review Guide (NAVRES 1550/14)

(R)

1. Purpose. To assign responsibility for conducting an annual review of the NAVRESPRODEVCON's Courseware and instructional materials.

2. Cancellation. COMNAVRESFORINST 1550.11

3. Discussion. Each course taught by the NAVRESPRODEVCON must be maintained to reflect the latest changes in policy and procedures. Force-wide use of the information provided by each course also requires periodic review by subject matter experts. Annual reviews ensure course curricula are relevant and reflect (R) current Navy policy.

4. Definitions. The following committees will provide the appropriate level of management oversight of the NAVRESPRODEVCON:

a. A Course Review Committee (CRC), as defined in enclosure (R) (1), will be assigned to each NAVRESPRODEVCON course. Each CRC will be composed of a group of subject matter experts tasked to provide technical support for a specific course. The primary function of the CRC is to ensure all courses meet Force Commander requirements by maintaining quality and currency. Each CRC will consist of assigned individuals from Commander, Naval Reserve Force (COMNAVRESFOR), Commander, Naval Surface Reserve Force (COMNAVSURFRESFOR), Commander, Naval Air Reserve Force (COMNAVAIRESFOR), Naval Reserve Information Systems Office, and chaired by the appropriate course coordinator assigned to NAVRESPRODEVCON. Committee members will audit as much of the applicable course as feasible after assignment to a CRC. Each committee chair will coordinate their meetings, prepare a report

of recommended changes, and a Plan of Action and Milestones (POA&M).

- R) b. A Professional Development Center Oversight Committee (PDCOC) will provide direct oversight of the school's curricula by evaluating and approving recommendations from the CRCs. The PDCOC membership will include the NAVRESPRODEVCEC Executive Officer, Directors of Training from COMNAVRESFOR, COMNAVAIRESFOR, and COMNAVSURFRESFOR. This committee should meet at least quarterly as scheduled by the chairperson, COMNAVRESFOR (N71).
- R) c. The Professional Development Center Executive Council (PDCEC) will provide general guidance and direction to the NAVRESPRODEVCEC and the PDCOC. The PDCEC will be comprised of COMNAVRESFOR (N7); COMNAVSURFRESFOR (NOOB); COMNAVAIRESFOR (NOOB); and the NAVRESPRODEVCEC Commanding Officer. The PDCEC should meet at least annually, as scheduled by the chairperson (COMNAVRESFOR (N7)) to approve the professional Development Center course schedule, recommendations from the PDCOC, and to resolve any emergent policy, funding, or manpower issues.
- R) 5. Action. Each course will be reviewed annually or more often if deemed necessary by the CRC.
- a. CRCs will review recommended revisions as appropriate per reference (a). Using enclosure (2), the CRC should consider direction from higher authority, revisions to applicable instructions, feedback from students and the field, planned additions, and modifications to information systems.
- b. CRCs will forward a written report detailing the results of its review to the PDCOC for approval. The report will include recommended changes to course curricula and a POA&M. Monthly POA&M updates to the chairman of the PDCOC will be required until all action is complete. The course review should also include an assessment of whether the course still continues to meet Force Commanders' requirements.
- R) c. The Professional Development Center course coordinator in each CRC committee will chair the meeting, schedule reviews, be responsible for forwarding reports, recommendations, and ensure POA&M implementation.
6. General Information. Lack of character space within enclosures (1) and (2) makes it necessary to shorten approved
