

DEPARTMENT OF THE NAVY
OFFICE OF THE CHIEF OF NAVAL OPERATIONS
2000 NAVY PENTAGON
WASHINGTON DC 20350-2000

10 Jan 20

MEMORANDUM

From: Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (N1)
To: Military Pay and Compensation Branch (OPNAV N130)

Subj: ADVANCE AND DELAYED DEPENDENT TRAVEL FOR SAILORS WITH
DEPENDENTS WHO ARE EXECUTING PERMANENT CHANGE OF STATION
ORDERS WITHIN THE UNITED STATES

Ref: (a) Joint Travel Regulations
(b) ASN (M&RA) memo of 23 Apr 19
(c) DCNO (N1) memo of 24 Apr 18

1. In line with references (a) and (b), members in receipt of permanent change of station (PCS) orders may be approved for advanced or delayed dependent travel for up to six months when executing PCS orders within the United States. For the purposes of this document, the date of PCS is the date a member leaves the current permanent duty station (PDS) and within the United States refers to moves that originate and end in the Continental United States, Alaska and Hawaii.

2. Members in receipt of PCS orders who, at the time of PCS, have any of the following categories of dependents, may request to execute advanced dependent travel (ADT) to the ultimate PDS or delayed dependent travel (DDT) from the detaching PDS or previously authorized designated place. DDT or ADT for up to 180 days may be requested for:

a. A spouse who is gainfully employed (defined as earning compensation for full-time work) or enrolled in a degree, certificate or license granting program. DDT will not be approved for a spouse that starts a new job or enrolls in a program less than six months from the PCS date unless the receipt of orders is less than six months from the PCS date, and they were enrolled at the time orders were received.

b. Dependents that will be attending an elementary or secondary school (K-12) at the time of PCS. This only applies if children were attending school 180 days from the PCS date unless approved by the Secretarial process pursuant to paragraph 3. The authorization of reference (c) is not affected by this memo.

c. Dependents enrolled in the Exceptional Family Member Program (EFMP).

d. A dependent is caring for an immediate family member (defined as a spouse, parent, or child) with a chronic or long-term illness. This only applies if the dependent is caring for the

Subj: ADVANCE AND DELAYED DEPENDENT TRAVEL FOR SAILORS WITH
DEPENDENTS WHO ARE EXECUTING PERMANENT CHANGE OF STATION
ORDERS WITHIN THE UNITED STATES

immediate family member 180 days from the PCS date unless approved by the Secretarial process pursuant to paragraph 3.

3. For the conditions above, the default relocation period is 180 days before the PCS date and 180 days after the PCS. This period can be shortened or lengthened by the Secretarial process on a case by case basis. Any DDT authorized under the provisions of this letter will terminate 21 days after the dependents no longer fall under any of the categories. ADT and/or DDT approved under this memo shall not exceed 180 days. Combining multiple categories is not authorized.

4. Under ADT or DDT, members will only receive one housing allowance. The Secretarial process will determine what location this housing allowance will be based on in accordance with reference (a). Members/dependents may be assigned government quarters if available, but may not displace a member/dependent such housing.

5. All requests made under this memo will be submitted to Commander, Navy Personnel Command, Distribution Policy and Procedures Branch. Requests must contain supporting documentation including proof of employment, EFMP enrollment, educational enrollment or medical care of dependents as appropriate. Military Pay and Compensation Branch will serve as the ultimate authority for appeals. The number of requests and approvals must be tracked in order to comply with an annual report mandated by the Office of the Secretary of Defense.

6. This memorandum has been reviewed by the Per Diem, Travel and Transportation Allowance Committee (PDTATAC) staff and is in line with DoD Instruction 5154.31, Volume 5, of 8 October 2015, as PDTATAC Case RR 18014.

MEMORANDUM

From: Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (N1)

To: Military Pay and Compensation Branch (OPNAV N130)

Subj: DELAYED DEPENDENT TRAVEL OF SCHOOL-AGED DEPENDENTS OF SERVICE MEMBERS UNDERGOING A PERMANENT CHANGE OF STATION

Ref: (a) Joint Travel Regulations

(b) ASN (M&RA) memo of 23 Apr 19

1. In line with references (a) and (b), members in receipt of permanent change station orders who have school-aged dependents may request to delay dependents' travel to the new permanent duty station (PDS) in order to allow completion of the current school year. The authority/approval of delayed dependent travel allows for temporary continuation of a housing allowance based on the location at which the dependents maintained a permanent residence, at a previously approved designated place or at the member's old PDS. Authorization/approval of housing allowance continuation for delayed dependent travel also authorizes a cost of living allowance continuation for the same time period without separate action.

2. Distribution Management and Procedures Branch will continue to be the approval authority for delayed dependent travel from locations within the continental United States based on school-aged dependents. Military Pay and Compensation Branch will continue to be the approval authority for delayed dependent travel from locations outside the continental United States.

31 Jan 24

MEMORANDUM

From: Deputy Chief of Naval Operations for Personnel, Manpower, and Training, N1
To: Branch Head, Military Pay and Compensation (OPNAV N130)

Subj: DELEGATION OF AUTHORITY TO ADJUDICATE ADVANCE AND DELAYED
DEPENDENT TRAVEL FOR SAILORS WITH DEPENDENTS WHO ARE
EXECUTING PERMANENT CHANGE OF STATION ORDERS OUTSIDE THE
UNITED STATES CLARIFICATION

Ref: (a) DCNO (N1) memo of 10 Jan 20 (ADT/DDT for PCS outside the U.S.)
(b) Joint Travel Regulations
(c) ASN (M&RA) memo of 23 Apr 19
(d) DCNO (N1) memo of 24 Apr 18

1. This memo cancels reference (a).
2. In line with references (b) and (c), members in receipt of Permanent Change Of Station (PCS) orders may be approved for advanced or delayed dependent travel for up to 180 days when executing PCS orders outside the U.S. Commander, Navy Personnel Command, Distribution Policy and Procedures Branch (COMNAVPERS PERS-451) is delegated authority to adjudicate requests for advanced or delayed dependent travel. The Military Pay and Compensation Branch (OPNAV N130) is delegated authority to adjudicate appeals of COMNAVPERS PERS-451 determinations. Additionally, OPNAV N130 is delegated authority to approve Advanced Dependent Travel (ADT) or Delayed Dependent Travel (DDT) for dependents at locations outside of the U.S. without the member on a case-by-case basis.
3. For the purposes of this document, the date of PCS is the date a member leaves the current Permanent Duty Station (PDS) and outside the U.S. refers to moves that originate or end outside the Continental U.S., Alaska, or Hawaii.
4. Members in receipt of PCS orders who, at time of PCS, have any of the following categories of dependents, may request to execute ADT or DDT if the ADT or DDT location of the dependents is the Continental U.S., Alaska or Hawaii. DDT or ADT for up to 180 days may be requested for:
 - a. A spouse who is gainfully employed (defined as earning compensation for full-time work) or enrolled in a degree, certificate or license granting program. DDT will not be approved for a spouse that starts a new job or enrolls in a program less than six months from the PCS date unless the receipt of orders is less than six months from the PCS date and they were enrolled at the time orders were received.

Subj: DELEGATION OF AUTHORITY TO ADJUDICATE ADVANCE AND DELAYED
DEPENDENT TRAVEL FOR SAILORS WITH DEPENDENTS WHO ARE
EXECUTING PERMANENT CHANGE OF STATION ORDERS OUTSIDE THE
UNITED STATES CLARIFICATION

b. Dependents that will be attending an elementary or secondary school (K-12) at the time of PCS. However, the restriction in paragraph 6 below applies. The DDT authorization of reference (d) is not affected by this memo.

c. Dependents enrolled in the Exceptional Family Member Program (EFMP).

d. A dependent who is caring for an immediate family member (defined as a spouse, parent, or child) with a chronic or long-term illness.

5. For the conditions above, the default relocation period is 180 days before the PCS date and 180 days after the PCS. This period can be shortened or lengthened by the approval authority established through the secretarial process on a case by case basis. ADT and/or DDT approved under this memo shall normally not exceed 180 days. Combining multiple categories is not authorized.

6. Additionally, for members who execute orders to or from a ship homeported outside the U.S. that will be on deployment at the time of PCS, ADT may be requested to allow the dependents to leave the PDS up to 30 days before the deployment or DDT may be requested to allow the dependents to remain at the previous PDS (or designated place) up to 30 days after the deployment.

7. Under normal circumstances, due to command sponsorship and security issues, dependents will not normally be approved for ADT or DDT where the dependents would be at a PDS outside the U.S. without the member. In circumstances where ADT or DDT at a PDS outside the U.S. is approved, this approval does not guarantee continued logistics support, command sponsorship, or protection under a status of forces agreement. These must be received from the area commander.

8. Under ADT or DDT, members will only receive one housing allowance. The approval authority established through the Secretarial process will determine what location this housing allowance will be in line with reference (b). Members/dependents may be assigned government quarters if available but may not displace a member/dependent at such housing.

9. All requests made under this memo will be submitted to COMNAVPERS PERS-451. Requests must contain supporting documentation including proof of employment, EFMP enrollment, educational enrollment or medical care of dependents as appropriate. OPNAV N130 will serve as the ultimate authority for appeals. The number of requests and approvals must be tracked for future data calls.

10. Requests to OPNAV N130 for ADT or DDT for dependents at locations outside of the U.S. without the member must meet the requirements of paragraph 3 of this reference along with sufficient supporting documentation that justifies entitlements for their dependent(s) at a location outside of the U.S. without the Service Member present.

Subj: DELEGATION OF AUTHORITY TO ADJUDICATE ADVANCE AND DELAYED
DEPENDENT TRAVEL FOR SAILORS WITH DEPENDENTS WHO ARE
EXECUTING PERMANENT CHANGE OF STATION ORDERS OUTSIDE THE
UNITED STATES CLARIFICATION

11. OPNAV N130's delegated authority may be further delegated to the Section Head for Pay and Allowances Policy (OPNAV N130C). No further delegation is permitted.

12. This delegation is effective immediately and expires when revoked or superseded.
