Oct. 22, 2025

BLUF

NAVADMIN 221/25 announces changes to the advancement manual for enlisted personnel that will be implemented on or about December 2025.

Who needs to know?

- Navy Counselors
- Sailors eligible for advancement to E-6
- Command triads
- Chief Petty Officers

What you need to know – key points

- **Billet Based Advancement Revisions**
 - BBA is expanding to include ALL ELIGIBLE E6 candidates.
 - Effective for all ratings except: Submarine, Nuclear, Musicians (MU), Special Warfare Operators (SO), Training and Administration of the Reserves (TAR) and Selected Reserves (SELRES).
 - Changes will be implemented in December of 2025 and take effect during the March 2026 Rating Knowledge Exam (RKE) cycle.
 - Sailors who pass the RKE may begin applying for advancement opportunities in the August 2026 MyNavy Assignment cycle.
- **Command Advance to Position (CA2P)**
 - Effective Immediately- the minimum time on station requirement for CA2P eligibility has been removed.
- **Senior Enlisted Marketplace Updates**
 - The Member Realignment Request (MRR) window for submitting Advancement Request Alignments (ARAs) will open four times a year (January, April, July and October).
 - Effective FY27 screening board eligibility will be expanded from 24 months to 30 months. Sailors will have up to 30 months to be selected for a job in the next higher pay grade.
