032304. IDT outside the Normal Commuting Distance

A. Eligibility. The Secretary concerned may authorize reimbursement for travel and transportation for certain RC members in the Selected Reserve of the Ready Reserve who perform IDT that requires them to commute outside the local commuting distance.

1. An eligible RC member must meet one of the following eligibility criteria:

- a. Qualified in a skill designated as critically short by the Secretary concerned.
- b. Assigned to a unit of the Selected Reserve with a critical staffing shortage, or in a pay grade in the Service member's RC with a critical staffing shortage.
- c. Assigned to a unit or position that is disestablished or relocated as a result of Defense Base Realignment and Closure or other force structure reallocation.

2. For purposes of this paragraph, "outside the local commuting distance" is defined as either of the following:

- a. The local travel area in [section 0206](#) but not less than 150 miles one way, as determined by the Defense Table of Official Distances (DTOD).
- b. For non-contiguous states and U.S. territories and possessions requiring off-island or inter-island travel to an IDT location that is not normally served by boat or ferry and does not meet the local commuting conditions in [section 0206](#).

B. Allowances. If an RC member is outside the local commuting distance and traveling to perform IDT and is authorized travel and transportation allowances, then the member is in an official travel status.

1. The Secretary concerned may authorize or approve reimbursement for the following actual expenses to and from the IDT location, limited to \$750 for each round trip.

a. Transportation. Transportation cost to and from the IDT location, including transportation between home and the terminal and between the terminal and the training location, is reimbursed [in accordance with par. 020203](#). If a privately owned vehicle (POV) is used, reimbursement is at the "other mileage rate" for the official distance to and from the IDT location and for any parking fees and highway, bridge, and tunnel tolls. If a rental car is authorized or approved, only costs for travel days to and from the IDT location may be paid.

b. AEA

(1) Actual meal cost, including tips and taxes but excluding alcoholic beverages, up to the maximum locality meal rate and incidental expenses (M&IE) rate for the duty location is reimbursed.

(2) Actual cost of lodging plus taxes, including service charges, up to the maximum amount of the locality lodging rate for the duty location is reimbursed. See [Table 2-15](#) for rules on lodging taxes.
